

## **Chip Burgett, SVP Payer Partnerships**

### **Global One Ventures, LLC**

Chip Burgett is a seasoned healthcare executive with leadership experience in all aspects of the healthcare market: insurance carrier management, Fortune 500 benefit leader, hospital executive and entrepreneur.

Mr. Burgett was the founding partner in Burgett & Dietrich, an employee benefit services company which operates currently as Healthscope Benefits. He was COO at BridgeHealth Medical and built the leading company in commercial bundled payments servicing major corporations.

Chip leads the Global One payer partnership team. Global One is a market leader in the development, operation and administration of bundled rates for ambulatory surgery centers and operates the county's largest commercial bundled rate network with 125 surgery centers in California.
