

# Direct Contracting for Diagnostic Imaging Services

## Your health care costs are rising. Your profitability is challenged. *And we can help.*

Green Imaging is a radiologist founded/managed, full-service network of diagnostic imaging facilities. We offer health plan members easy, centralized access to high-quality, low cost imaging services with over 4500 imaging partner locations across the country and throughout Texas.

**With our award-winning service model, we are saving clients up to 60% on medical imaging costs, and up to 8% on their total health care spend.** Today we serve hundreds of thousands of covered lives—and the number is increasing dramatically as entities responsible for their health care costs realize that direct contracting is an easy, affordable solution for higher cost medical services.

**Serving your members through 4,500+ vetted, high-quality locations across the United States.**

### FACT

40% of Americans do not have money to cover an unexpected \$400 expense such as medical care.\*

## How you benefit:

### Immediate impact on EBITDA

No waiting for plan renewal/open enrollment, no cost to implement and minimum administration time means you start seeing an impact on your company's profitability from day one.

### Fully transparent pricing

We negotiate the price of each procedure up front, including the radiology read. You know what you'll pay; your members know what they'll pay. No surprise bills after the procedure.

### Happier members

The care our Patient Concierge team takes with your members yields our average 4.9 star rating on Google reviews. Read for yourself at [greenimaging.net/reviews](http://greenimaging.net/reviews).

### No claims management

You'll receive one monthly invoice for all procedures performed. No unpaid claims, no bad debt, no hassle, no high administration costs. administrative costs.
