

MICHAEL TAUBER

Sales Director

Mission:

Helping my customers become savvy consumers by helping them navigate the confusing and costly healthcare space through education, creativity, and passion.

About WalkOnClinic:

Walk On Clinic is an onsite clinic company specializing in delivering concierge level Primary Care & Urgent Care services onsite to employers. Our Hybrid healthcare model connects patients to doctors they know and trust virtually and in-person.

Passion for Helping People

For over 25 years Mike Tauber has been an active force in the health insurance/ employee benefits industry. Having spent over 22 years working directly for the largest and oldest health insurer in the state; Florida Blue, Mike has taken his knowledge, resources, and talent to Walk On Clinic.

Mike is also currently a board member for the Tampa Bay chapter of NAPIB and is a two term past President for the Broward County chapter. His relentless passion for helping customers find cost effective solutions, in the most efficient way possible; all while providing a VIP experience is what he does best.
